

Harlequin Sofa

+Halle®

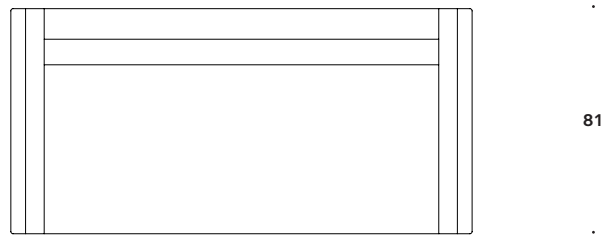

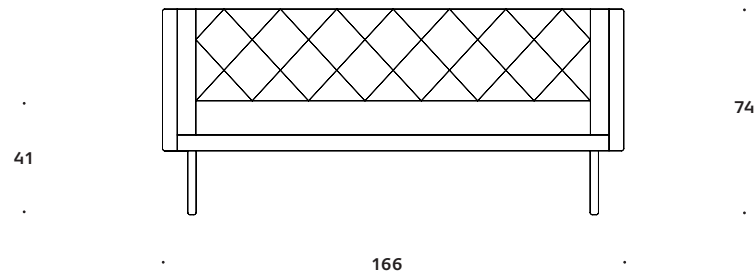

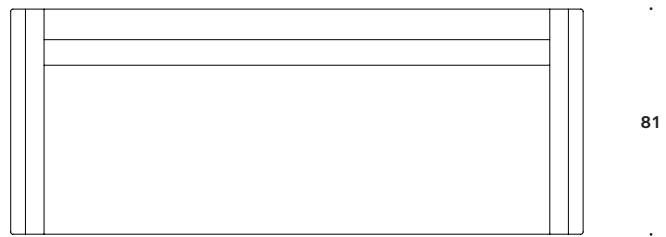

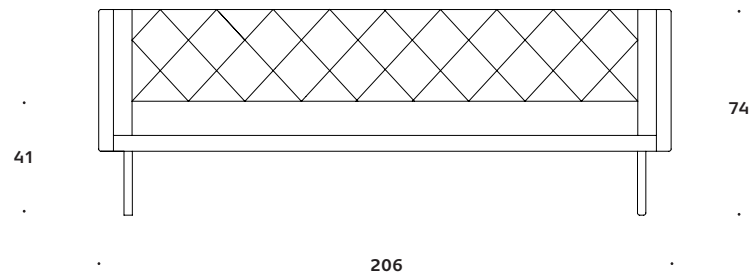

Harlequin

The quilting of the Harlequin creates an obvious connection to the traditional Chesterfield. However, the light stainless steel feet and the straight lined edges make the Harlequin Sofa very light and modern in its expression. The slim but double armrests combine the aesthetics of the two contradictions – abundance and minimalism. The Harlequin Sofa fits perfectly into more traditional buildings as well as new and modern architecture. The sofa is available as a 2 and 3-seater. The family also comprises the Harlequin Chair.
